

# Facilities

Archimedes Life Sciences Business Accelerator, operated by Dr. Harold C. Smith, is housed in 4,800 sq ft of mixed-use space at 1200 Jefferson Rd, Rochester, NY 14623.

## Available Lab Space

**4800 Sq Ft**  
of ready-to-use  
laboratory bench areas

**Conference Room**  
fully equipped

**Office Space &  
Storage Rooms**

**Freezer  
Farm**

\*100 to 1,200 sq ft of space can be sublet to one or more preclinical companies for a flat monthly fee, including utilities and services. Subleasing companies may utilize the lab infrastructure and equipment as part of the agreement.

## Security

**The space is secured at all times, with entry controlled by:**

- Physical key access
- Electronic key card access with a magnetic locking system

**Security and access systems are continuously monitored:**

- 24 hours per day, 7 days a week by Doyle Security.
- Fire detection and alarm systems are present throughout the facility

**Access to biological containment areas and scheduled lab space is restricted by keyed entry.**

- Visitors must be escorted at all times while on the premises.

**Only authorized individuals with documented training are granted access to BSL-2 and 2+ facilities and scheduled lab areas.**
